BRIEF BACKGROUND

Established on 30th April 1928 as a company under Section 26 of the Indian Companies Act, 1913, the Indian Institute of Banking & Finance (IIBF), formerly known as the Indian Institute of Bankers (IIB), is the apex professional body for India's banking and financial services sector and its employees. Over its 97 years of service, IIBF has been actively engaged in examinations, training, and academic initiatives, emerging as a premier institute in banking and finance education.

With over 11 lakh members, IIBF is the largest institute of its kind globally and has been instrumental in shaping industry-ready competencies. It is recognised as a centre of excellence, offering flagship qualifications such as JAIIB, CAIIB, diplomas, and specialised certifications aligned with evolving industry needs.

IIBF is managed by a Governing Council comprising representatives from RBI, SBI, IBA, major public and private sector banks, cooperative banks, small finance banks, and academia. The governing council is presently headed by its President - Chairman, State Bank of India (SBI) and Indian Banks' Association (IBA).

IIBF is also representing India in The Asian-Pacific Association of Banking Institutes (APABI), strengthening its global engagement and collaboration in banking education and professional standards.

Its integrated framework spans education, training, examinations, consultancy, and continuous professional development. Through its Leadership Centre in Mumbai and Professional Development Centres in Mumbai, Delhi, Chennai, Kolkata, Guwahati, and Lucknow, IIBF delivers high-impact learning nationwide, fostering future-ready, competent, and resilient finance professionals.

ABOUT THE PROGRAMME

This two-day intensive program offers a comprehensive and practical understanding of the KYC, AML and CFT framework applicable to RBI Regulated Entities. Anchored to the RBI Consolidated Master Directions on KYC, the program covers regulatory architecture, Board and senior management oversight, risk-based approach, customer identification and onboarding.

It further addresses customer due diligence, beneficial ownership, transaction monitoring, sanctions compliance, regulatory reporting to FIU-IND, record management, and RBI supervisory expectations. The program is designed to strengthen institutional compliance, risk management capabilities, and foster a strong AML/CFT compliance culture across organisations.

OBJECTIVES

- To provide a clear and structured understanding of the RBI KYC, AML & CFT regulatory framework and supervisory expectations for RBI Regulated Entities.
- To enable participants to implement a robust risk-based approach covering customer onboarding, due diligence, transaction monitoring, and regulatory reporting.
- To strengthen governance, accountability, and compliance culture in line with Board oversight, regulatory inspections, and best practices.
