About Us

Established on 30th April 1928 as a company under Section 8 of the Indian Companies Act, 2013, the Indian Institute of Banking & Finance (IIBF), formerly known as the Indian Institute of Bankers (IIB), is the apex professional body for India's banking and financial services sector. It represents banks, financial institutions, and finance professionals nationwide.

IIBF, with 1.1 million members as on date has played a pioneering role in bolstering the professional skill sets of BFSI employees in india and beyond. For over 98 years, it has built industry-ready professionals through JAIIB, CAIIB and specialized certifications, supported by nationwide centres delivering impactful learning and development.

Programme Overview & Objectives

- Climate risk is now a core financial risk, impacting asset quality, capital adequacy, and sustainability.
- RBI and SEBI mandate climate-related disclosures, green finance frameworks, and stress testing.
- Provides a practical framework to identify, measure, monitor, and manage climate-related financial risks.
- Covers risks across credit, investment, and operational portfolios.
- Focuses on embedding climate considerations into core risk management and business strategies.
- Equips participants with future-ready skills aligned to ESG and sustainability standards.
- Understand climate risks and their financial impact.
- Interpret RBI, BRSR, and global disclosure frameworks.
- Integrate climate risk into credit appraisal and ratings.
- Apply scenario analysis and stress testing.
- Align portfolios with green finance and sustainability goals.
- Develop actionable climate risk strategies for banks and NBFCs.
